Insurance Billing To Be Privatized

At the Feb. 24 Huron Township Board Meeting, the board decided to privatize the billing and collection of the emergency medical service charges. This matter came up as an agenda item and was discussed because of two basic problems. First the lack of time to process the billing and sending to the insurance companies. Second, the lack of time to follow up with the insurance companies and collect the bills.

Trustee McKinney asked for the amounts of money that was involved and the response was not

clear as to the actual numbers but all the people that spoke on the matter was in favor of the move. A figure that was clear was 7.5-percent which is the amount the collection company would retain from any fees collected. There had been several inquiries from the township on this type of service and the fees were always double digit. This offer of 7.5-percent seemed to gather the board's attention and provided the renewal interest for the idea of privatization.

The vote to go with an outside

company passed unanimously and the proposal from Medaphis was accepted.

In other business the board honored the winners of the Chamber of Commerce Christmas Decorating Contest. Chamber President Al Gesert and Chamber Secretary Marsha presented plaques to the winners in the commercial and residential categories.

Telecommunications Hearing

On Feb. 22, the Telecommunications Commission held its regular meeting as well as the first public hearing on the performance of River Raisin Cablevision. The purpose of the hearing was to provide the public an opportunity to express their views and concerns regarding the township's cable service.

This hearing was the first of several anticipated hearings as the commission considers the performance of River Raisin as well as preparing for a new long-term

contract with the cable company. Several representatives of River Raisin were present at the meeting and responded to several questions from the commission members. However, no portion of the public chose to speak at the meeting.

Chairperson Don Thompson asked most of the questions and many of the questions posed were regarding the quality of the picture. River Raisin said the picture

caught dead with a piece of asparagus in your mouth. I felt that way once upon a time too. When I first tasted it I thought it was the most disgusting thing in the world. I later realized that it wasn't all that bad, as long as it was cooked right. When you over cook asparagus it takes on a different taste

(the disgusting one). If you leave it slightly crunchy, it tastes so much better.

This week I chose one of my latest creations, it is a fun and very tasty use of asparagus.

Please let me know how I'm doing with the column.

ChickN'Spears

4 Lg. Chicken	Harvarti Cheese
Breasts - boneless/skinless	Butter Spray
20 Sm. or 16 Lg. Fresh Asparagus Spears	Salt
4 1/2-oz. Slices	Pepper
	Paprika
	Cayenne Pepper

Flatten Chicken breasts thin.

Spray with butter, sprinkle with salt and pepper. Trim the woody end of the asparagus, leave long. Lay 5 sm. or 4 lg. spears on each chicken breast. Place a piece of cheese on top of the asparagus. Roll up in the chicken and secure with a toothpick, leave asparagus ends out. Spray a baking pan with the butter spray and also spray the chicken rolls. Sprinkle the rolls with salt, pepper, paprika and cayenne. Cover and bake at 325° 20 min. remove cover and bake 10 min. more, allowing chicken to brown.

Renton Junior High News

Renton's Fish do the Fly

Renton is really talking about their swimmers, and they have a lot to brag about. On Saturday, Feb. 13, they swam at the state swim meet for Junior High students in Plainwell, Michigan. It was a very crowded event, marked by a severe winter storm, that really made arriving there difficult. There were so many swimmers there, that the pool deck was jammed with swimmers ready to be marshalled into position (lined up for the race). Diving began on Friday, as the State Police closed I-94 in the region.

Present from Renton were Matt Cordts, Kirsten Strong and Ashley Wright. Ashley really swam well, dropping two seconds from her seeded time, and coming in twelfth

place. She received her medal for the 100 Breaststroke as well. Matt swam the 100 Breaststroke and dropped about one second from his seeded time. Kirsten swam the 50 fly and the 100 IM.

Thanks to Kirsten Strong for the article.

Grapplers visit the Flat Rock Invitational

Renton was happy to take eleven wrestlers to the Flat Rock Invitational meet on Feb. 13. It was an all-day event that found Renton glowing with success, along with their two happy coaches. Lonnie Thornsberry and Scott Knope coach the team.

Two wrestlers placed first: Josh Szekeley, and Jason Thornsberry. In second place were Justin Kittle and Aaron

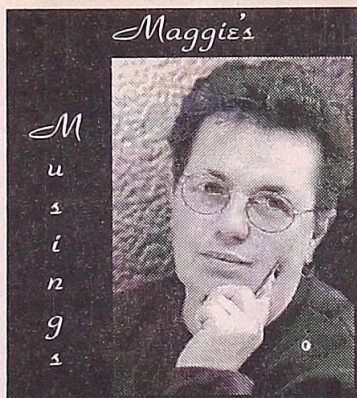

Dzierwa. Larry Vogel placed fifth, and Chester Hall took sixth. Obviously, Renton was very proud of their performance!

Also in attendance were

Matt Bagwell, Kurt Cousino, Adam Espinosa, Bernie Frascarelli, and Ian Frye.

Great wrestling guys!

Thanks to Jason Thornsberry for the article.

Attended the coffee hour at Rivers Edge with Lynn

Rivers. Found it extremely interesting. Redistricting of Congressional Districts and Public Schools vs. Public Academies were the main topic of discussion. Hope to see a larger attendance at her next coffee hour in Huron Township.

The School election is coming soon. Remember to vote!

Local Agency Receives Award

Kathy Little and Dave Morrison opened All Lines Insurance Agency on Aug. 1, 1998 in the Village of New Boston.

It had been their dream to have their own agency and picked our sleepy village in which to take their risk.

Dave and Kathy have worked very hard and have achieved many of their goals. During their first year their staff doubled and they did \$150,000 worth of business.

Their agency was elected

by Allstate Insurance (a major Michigan company) to represent Allstate in this area.

At the 1999 Allstate Michigan Region Kickoff for Independent Agents, Dave and Kathy received the "Rookie Agency of 1998" Award. The goals set by Allstate for receiving this award were accomplished within six months. Kathy and Dave started with Allstate in June of 1998.

Dave and Kathy wish to thank the residents of Huron

Township for their patronage and support. It is only due to that support that Kathy and Dave are able to provide a full-service agency.

This reporter has served on several committees and community events with Dave and Kathy and have found them to be dedicated and to have always carried through with their commitment.

Support our local businesses and stop in and pay Kathy and Dave a visit.

(L-R) Kathleen Little, Dave Morrison.

 Things working out well. Home life on upward swing. Close person returns borrowed item but with slight imperfection — otherwise, broke. Have fun at social event. *Lucky #307.*

Virgo (Aug. 24-Sept. 23)
 Soul mate urges you to go slow, remember when the lights are out, it's hard to see. Keep eye on scoreboard while others go alone. Bathroom breaks may be too long. Don't jump unless you can land on feet. *Lucky #800.*

Libra (Sept. 24-Oct. 23)
 Baby crying may be heard in future, big plans may be moved up rapidly. Ohio could be answer to your problems. Soulmate job situation favorable. Look "back"

for special answer. *Lucky #249.*

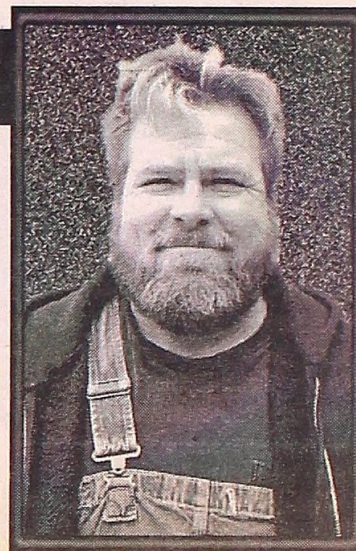

Scorpio (Oct. 24-Nov. 22)
 You're unable to bend in the wind, but you break like chalk, to the pressure. Avoid manipulating others. They know your game too well. Soulmate plays major role in mental recovery. Listen to what they have to say. *Lucky #968.*

Sagittarius (Nov. 23-Dec. 21)
 House pressure builds by first of week. Major changes in future. Find yourself going backwards fast. Loved ones throw lifeline. This is a rescue, not a retreat. Young person in life is only bright spot. *Lucky #none.*

Capricorn (Dec. 22-Jan. 20)
 Avoid bringing new friend to family. He may get a Freddy Crouger type title. Old love contacts you from long distance. Act like line is full of static. Hear same ol' "Ho, ho." But just say "ha ha." Credit limit hits end of chart. *Lucky #594.*

Aquarius (Jan. 21-Feb. 19)
 You're finally at home but it doesn't seem quite right without your dog. Find yourself center of social event. You are in your realm. Be prepared for shocking news. Loved one disappoints you badly. *Lucky #301.*

*For entertainment purposes only.

4 REASONS WHY YOUR CARPET WILL SHINE

When You Use

Hildebrand Carpet & Upholstery Cleaning

1. **Thorough Cleaning** — Use the most thorough cleaning method there is. Some cleaning methods use chemicals that leave a residue on your carpet. That doesn't get the dirt out, it just covers it up. My method doesn't leave a residue and is very powerful. It cleans way down to the base so your carpet will look brand new again.
2. **Stays Clean Longer** — Since we clean all the way down to the base of your carpet, your carpet will stay looking clean longer.
3. **I use only certified technicians.** Each technician has been through extensive training on how to properly use our super equipment. If a technician isn't properly trained, your carpet won't get thoroughly cleaned.
4. **100% Money-Back Guarantee.** If you aren't thrilled with your carpet, I'll refund every cent. No questions asked!

Glaab. This donation is to be used toward the purchase of the new signs that will greet visitors and residents as they enter the township. Accepted by Trustee Nora Adkins was a check for \$1,000 to be used for

the purchase of safety equipment for the Fire Department. Dawnette Bowers accepted a \$700 check for the Police Department D.A.R.E. Program, and last but not least \$300 was donated to the Boys and Girls Republic of Farmington for their effort in taking care of the trash problem Applefest Weekend.

These young men and women did a superb job and have already been booked for '99. This work was offered to several youth organizations in Huron Township, but had no takers.

Huron Applefest not only donates thousands of dollars to community non-profits, it also maintains property belonging

to the township and most important of all provides a venue (Applefest Festival) that allows community non-profits to earn tremendous monies that they would otherwise not be able to generate.

The new Board of Directors for '99 Festival area Mike Annetzbarger, Chairperson; Margaret O'Kelley, Vice

Chairperson; Judy Reininger, Secretary; Jason Horvath, Treasurer; and Joyce Lambly, Parliamentarian.

Mark the first weekend in October. This is the 20th Anniversary of the Huron Township Applefest and special events are being planned.

shows at least 43 DB (decibels) and this met the FCC

standards for picture quality. Chairman Thompson responded that based on the picture he was seeing at the Krzyske hook up, the image was "on the edge."

The next public hearing is scheduled for March 29 at 7 p.m. at the Krzyske Center and the public is invited to attend and express their views with the commission.

In other commission business, Don Thompson was re-elected Chairperson, Dawnette Bowers was elected Vice-

Chairperson and Dave Dittmar was elected Secretary.

In a final piece of business, the commission was advised the school district wanted to produce a program to discuss the upcoming school bond proposal. This production would be aired on the township's public access channel

prior to the March 20 vote.

when he accepted the second place award on behalf of the historical house. He said this was the second time the house came in second. The first time the house came in second was when first place went to the only house that had electric lights in the township.

In an unrelated matter, Fire Chief Russo recommended that Jim Katona be promoted to Battalion Chief at Fire

Station No. 1. The board agreed with the recommendation.

DPW Director Ron Tabor advised the board the sewer maintenance program was almost completed and this program "will pay dividends down the road." He also reminded the board the DPW plows the snow when it reaches four inches. This policy has always been in place and will continue to be followed unless the board issues new directions.
